Celeb News GOSSIP

RIHANNA'S REAR!

In a move that will surprise approximately zero people, singer and professional instagrammer Rihanna has posed nude for some photos. It's classy stuff, for Italian men's magazine *Lui*, but that won't stop us having a gigantic wank over it. The magazine is, judging by the clothing standards on Italian television where most of the news presenters seem to be dressed for a bukkake session or a bunga-bunga party, pretty standard eyetie fare, and we just hope the notoriously racist football fans of Italy enjoy the sight of a beautiful black woman. And the 'face down, ass up' shot? A thing of beauty...

You had us
at 'tan lines'!

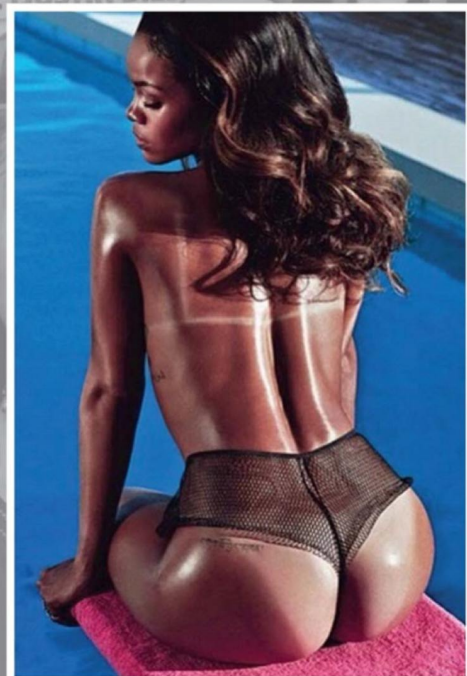

JONAH & THE WHALE (SIZED COCK)!

If there's one accolade we at Adult Sport would love to have, it'd be owner of the world's biggest cock. Sadly, we're about 3 billionth. The owner of aforementioned dick – measured in a documentary at 13.5" – is Manhattanite Jonah Falcon. While it's very possible that there are bigger dicks out there that have gone unmeasured, that's still some mighty meat. But when he goes, his penis may not go with him. The Iceland Phallological Museum has offered to preserve and display the 43-year-old's dick upon his death, in their cultural centre dedicated to the dong. He regards the request as an honour, and has asked if they could display it next to the reproductive organs of a sperm whale and a polar bear. Us? We'd be happy next to a beetle and a cockroach...

Jonah was bashful
about his bone!

HEIDI'S KLUMPS!

An *Adult Sport* staffer once interviewed Heidi Klum (yes, really) and she spoke at touching length about her long-term relationship with singer Seal. Quelle surprise, they broke up shortly afterwards (perhaps she couldn't help dreaming about that sexy *Adult Sport* staffer!). She's since gone from strength to strength with her TV career, but the former supermodel is now dating 27-year-old Vito Schnabel. Who cares about all this? Not us, but it's an excuse for us to show you these new topless shots of Heidi on a beach in Mexico. Not that any excuse is needed.

WANK BANK!

Banks, credit cards and payment services often have to be careful they're not handing illicit money, but recently they've become a bit moralistic. Paypal, for example, will often kick you off if they think you're a sex worker. Hundreds of porn performers such as Teagan Presley, former Digital Playground contract star, recently received letters from Chase Bank informing them that their accounts were being shut down. No specific reasons have been given, but the bank has been known for taking a disapproving attitude towards the adult industry. Guess porn stars will just have to keep their money beneath their deeply spunk-stained mattresses...

League Tables

Hottest Professions

Here's a league table that changes as often as David Beckham's hairstyle in the 90s: which male professions women find most attractive. The survey was carried out by *IllicitEncounters.com* and asked over 2,000 of their female members what they thought the sexiest profession is. The least sexy was politician (hardly surprising), but the top 5 hottest are as follows...

- 1) Top of the poll was chef with 27% of votes
- 2) Twenty-three percent wanted to make an appointment with a doctor
- 3) Fifteen percent would like to court a lawyer
- 4) Only 12% thought firemen could fan their flames of passion
- 5) Farmers just made the top five with 6%

Odd Penis Presents

Internet marketplace, *Etsy.com* can be a weird place to do your online shopping sometimes, especially if you're ever looking for any penis-inspired gifts (we're not sure why you would be either), but here are some of the oddest of odd cock-inspired products...

- 1) For the friend that loves teapots, how about a hand made ceramic rainbow teapot complete with Penis Spout (£45.78 from *TheSpicyPotter*).
- 2) Ideal for women that can't get enough of handling cock: try a set of fake nails with cartoon penises painted on them (£15.26 from *SweetenedWithLove*).
- 3) Do you know what you've always needed for your chapstick? That's right, a knitted, woolly penis-shaped chapstick cozy (£4.27 from *AbandonedLLAMA*).
- 4) Twist and rub: that's the action needed once you've used the 3D Penis Soap Mould and created your own phallic soap, complete with smiley face (£9.15 from *happymoulds*).
- 5) Possibly the most tasteful, these made to order cheeky Rhinestone Penis Pasties for covering nipples (£18.31 from *NightlyAllure*).

From Dusk TILL HORN

We were hoping there'd be a lot more nudity in the *From Dusk Till Dawn* TV show, a new series inspired by the film of the same name. Sadly, we were disappointed (although we're glad Don Johnson, who stars, kept his kit on). There are plenty of dancing girls, though, with a couple channeling Salma Hayek in the only sexy bits so far. Bonnie Ann, Amanda Moreno and Eiza Gonzalez all make this new version of the Titty Twister club well worth a visit...

Anita

Once upon a time, Anita Dark used to share lots of scenes with another European porn star called Anita Blond. When Anita Blond retired, Anita Dark dyed her hair blonde. Now, do we call her Anita Dark, Anita Blond 2 or Anita Blonde? We're confused. How about just plain Anita? Yup, that'll do...

Jem

Mags.net

WorldMags.net

Jem is as British as it gets. She goes to the pub, gets drunk with her mates, goes clubbing, likes kebabs and let us finger her in a car park after a few drinks. Most models don't do this. In fact, none of them do, which is why we love Jem so much. She's promised us a nosh if we put her in the mag again. It'd be rude not to...

Hair: Dark Brown
Eyes: Brown
Year Started: 2006

The Iowa born, raven-haired beauty India Summer first took dick on film shortly before her 30th birthday and hasn't slowed down since, getting ruder each year! Having notched up over 350 fuck films, this filthy MILF talks frankly to Adult Sport...

You've been on the porn scene for a few years now – do you remember your first scene?

India: Yes, my first scene was for Naughty America. I was slightly nervous, but more excited than anything. I am a natural exhibitionist, so I enjoyed just being in front of so many people and being able to have sex on camera. I was terribly turned on by the fact that so many people were going to be able to get off on watching me.

As a Girlfriends Films contract performer, what has been your favourite experience?

India: If I had to choose my favourite things that have come from working with Girlfriends Films, it's been that it's provided me with an environment to explore my sexuality with women, and to refine and hone my skills. It's given me the opportunity to meet many wonderful women and to become more involved with the GLBT (Gay, Lesbian, Bisexual and Transgender) community. It's allowed me to be myself.

How are you different from other girls in the industry?

India: I differ in the same way that every player in any pro-sports league is different

from every other player, but I'm also the same as other girls in that respect. "There's nothing you can do that can't be done, nothing you can sing that can't be sung..." John Lennon sang that, and I take it to heart. I can't point to any one thing I do that is more special or unique than any other woman in the industry. I just try to kick ass every time I do a scene and enjoy it to the max – and I'm sure there are a lot of girls who approach it in the same way.

What type of scenes do you enjoy the most?

India: I couldn't really say there is a 'type' of scene I enjoy the most; I love the fact that every day is a new gig in a new location, with different talent and different production companies, with completely different shooting styles. I like the fact that I don't have ordinary, predictable days.

What have you learned about sex from your adult career so far?

India: I could almost say everything, in a way. My sex IQ has gone up about 100% since attending 'porn university'! My knowledge of techniques, my personal sexual skills and my expertise at applying them, my understanding of human sexuality, my understanding of the biology and health risks and consequences of sex at are levels far higher than the average Joan!

Do you have any sexual fantasies that you've yet to fulfil in life?

India: A Roman orgy.

What's your favourite nasty sexual act?

India: I truly love that act of oral sex. I love giving head and driving women, or men, out of their minds!

What do you think you're best at, sexually-speaking?

India: I have been told that I give the best hand-jobs and should teach a class on the subject! I also think I have quite a talent for poppin', slappin' hot blowjobs...

In your opinion, what is good sex?

India: Does it feel good? Are both people fully into it? Are they trying to please one another, physically and mentally? Yes? Then it's good! I believe the first step to good sex is chemistry and attitude. Being supportive of your partner, being aware of their state of mind and mood, and going into the sex with the intention of pleasing them; concentrating more on that than on them pleasing you. And then it's good to have a partner that reciprocates in the same way.

Honestly now, does size matter to you?

India: Sorry, but yes and no! Size in and of itself means nothing – it's more to do with the 'driver' of the size; I've had great sex with guys of average size, even some on the smaller size, and I've also had great sex with guys that are enormous. But speaking for myself and given the exact same lover or 'cock-driver', I would prefer that he be well-hung, rather than average or small. No contest. Personally, I find girth, or thickness, more stimulating than length alone.

Do you watch porn when you're at home?

India: Very rarely. Sometimes I'll use it as 'mood music', or to whet my appetite when I'm with a lover. Unfortunately, I don't really have a lot of time to sit down and watch much porn. If I find the time, I enjoy watching Japanese Hen-tai, or I watch the talent-copies of my own movies that I've recently performed in.

Were you a fan before you started out in the sex biz?

India: I watched porn occasionally before entering into it myself. I found that I enjoyed, and was inspired, by erotica, such as the original *The Story Of O* and the *Emmanuelle* series, from the 70s. I also remember watching some contemporary hardcore when I was in college in the 90s. Peter North's Peter made an impression on me!

Who is your favourite performer that you've worked with? Is there anyone you'd like to work with in the future?

India: There are too many performers that I have adored and had the pleasure of fucking to possibly pick a favourite. Whenever I am asked this question, I like to remember that we are speaking about human beings, and I personally don't like to compare people in that way. Inevitably, it boils down to that. It really has been my pleasure to have worked with so many outstanding performers, and beautiful people, in such an intimate way.

If you were producing your own porno, who would be in your fantasy cast?

India: Rasputin, Cleopatra, Dracula, Mick Jagger, Marilyn Monroe, Wilt Chamberlain, Messalina, Priapus, Madonna, Jesus, the mythical tribe of the Amazon Women, the Harlem Globetrotters and The Seven Dwarves.

What were you doing when you decided to embark on a career in porn, and why did you?

India: Before I took the leap into the adult world I was working in finance. I had the most adorable cubicle (laughs) – the real 'office girl' type! I would spend all day working at my computer crunching numbers, a real bean counter. I had previously earned my B.A. degree in teaching and had realised along the way that I did not want to pursue teaching, or being an, as I call them, 'indoctrination instructor'. In my final year of college, I met and fell in love with, an older guy, who eventually introduced me to swinging and open relationships. My eventual experimentation came from (and in) a very safe, trusting and respectful place. I had a partner that loved me unconditionally and was incredibly supportive of me experiencing everything in life that I wanted to. So I was in the 'lifestyle', as it's called, for several years and it was from those experiences that I had an interest in performing sexually. I truly love sex and the experience of sex. It dawned on me that

I could experience great sex, meet a lot of people, perform (I'm a born exhibitionist) and get paid for it, too. To me, that sounded like the perfect career.

Would you consider yourself bi-sexual?

India: I am bi-sexual. I love women and men. I'm physically and mentally attracted to both. Growing up, I had crushes on women and had always wanted to explore them further. I had the usual 'playing around' as a young girl and even the proverbial 'college fun'. I had the opportunity to have a full girl/girl experience at the age of about 24 and it really solidified in my mind that I enjoyed being with women. It's a completely different experience than being with a man; a woman has a softness about her that I find very alluring. For me, at this point in my life, it's more about the personality and chemistry of my partner than their sex that attracts me.

Do you have a partner right now, or are you single?

India: I am fully polyamorous. I have several girlfriends and boyfriends, and am also very happily married.

Is there anything you just wouldn't do on film?

India: Yes. Just as there are things in real life that I wouldn't do. I take any offers for bizarre or unusual acts in my scenes on a case-by-case basis. I consider things like, is it legal, is it physically dangerous, does it pose risk to

the health of myself or the other performers or people on the crew? Is there some kind of artistic or situational context for the act? I am very open-minded and I like to hear people's ideas, but I do have limits.

Are you into group sex?

India: Yes, I do enjoy group sex. I find the atmosphere of sexual energy mixing together very arousing. I wish they happened more often in my life than they do!

How often do you masturbate?

India: Frankly, not very often. It is truly a last resort for me. I'm fortunate because I shoot so often, and sex is so available to me that if I happen to be urgently unsatisfied when work is done, I am more likely to go to meet a girlfriend or boyfriend than to get off with the use of my electric lovers. In college and high school I used to masturbate with vibrators quite often.

Do you ever cum when you're shooting?

India: Yes, I've had a lot of on-screen orgasms, and as time goes on it has become easier and easier for me. It's also based on the style of the shoot. If the director lets the performers just do their thing and build natural rhythms, then it's easier to have an orgasm as a performer. It is more difficult when there are frequent cuts and repositioning. I enjoy shooting both ways

because I like the variety it creates in the finished products-videos. I may enjoy doing a sex scene where the director just lets us go, but I may enjoy watching a scene that has a lot of position changes and different shots more than the more natural style.

Would you date a fan?

India: If you mean, is it possible that I could meet someone who happens to be a fan of my work and we have natural chemistry? Then, yes, I could, I have, I do. If you mean the 'Fuck-a-Fan' thing, then no, not just for the sake of a porn shoot. People may not understand this, but I find it disrespectful to male performers who have had to work their ass off to get to where they are. It's also offensive to me as a performer and a professional, that someone thinks any old 'Joe-off-the-street' can waltz in and be a porn-star for a day, and get paid to have sex with me.

I don't see the Dodgers, the Green Bay Packers or any professional European Football Clubs suiting up fans for a game and playing them! On the other hand, I have learned to never say never. I could see how there may be appropriate circumstances for this. For me, the 'Fuck a Fan' thing would be more preferable as a girl/girl scenario.

What do you do with your spare time?

India: I love to hike and be outdoors in

general. I like to read, swim, escape into music, bake, snuggle with my kitties, hang at the beach. I love going out to eat or hanging out with my friends from the industry and spending time with my friends outside of the industry.

What's the largest number of blokes you've fucked at one time?

India: Five blokes.

What turns you on?

India: Kindness, intelligence, humour, the smell of good things, beards, good hygiene, nature, art, music, hentai-anime, erotica and tasteful or filthy porn.

What's the best way for your fans to get in touch with you?

India: Right now, Twitter is the best way to reach me: twitter.com/MsIndiaSummer.

Do you have a message for your fans?

India: I would like to take a moment to thank any of my fans who are reading this article. Something I've come to appreciate and be grateful for during my career is their feedback and encouragement. I've learned a lot from the people who have taken the time to share their sincere thoughts with me. Thanks for your love and support. May your sex be merry! ●

Aria LOADS!

I've worked with Ines on a whole bunch of shoots over the years. When you don't do guys in porno (of course, I love guys in real life, but I have my own set of rules) then you wind up doing a lot more girl/girl shoots than you normally would. Which is fine by me because I love getting it on with women too. I have no hang-ups about my sexuality, I just get on and do whatever turns me on. And Ines always gets my pussy wet.

So this one time we were doing a shoot together and we did our usual gossiping and bitching about the other girls and guys in the biz while we were having our make-up done. Ines told me some pretty crazy stories about the things she'd been up to on shoots recently – she's way nastier than me, believe me – and we had a lotta fun before the photos even started. And that's when Ines told me about the shoot we were about to do [not this one guys, don't worry!], and what the photographer liked to do on his shoots!

So basically, she said that the guy we were about to work with, who was new to me, liked to get his dick out and start masturbating while taking the photos. He had a rep for doing it. Some girls don't mind, they let

him get on with it, some even jump straight on that dick and finish him off. When a girl complains, he'll put it away and carry on with the snapping. So Ines was telling me that the last time he took pictures of her, she let him cum over her tits, wiped it off and carried on with the shoot. I told her there and then that she was welcome to do what she wanted with him, but I don't handle cock in the vicinity of cameras – when you make a career out of not doing boy/girl, the last thing you wanna do is get snapped giving some sleazy photographer a blowjob!

So we got into the studio and got down to the shoot, like the pros we are. I love working with Ines, she's fun, and even when we're shooting stills she'll lick and suck at my pussy and try to make me orgasm. It actually gets on the photographers' nerves, cos the pictures come out blurry when she's furiously rubbing my clit.

She peeled off her clothes and I did the same, and we did the standard poses for this guy, who I have to admit I thought was pretty hot-looking. He was no Brad Pitt, but he'd do for me, and I hadn't had sex in weeks! So as Ines and I got down to sticking our tongues in

each other's pussy, all I could think was why wasn't this guy getting his dick out? There I was, my peachy ass in the air, slowly licking the folds of Ines's very juicy cunt (she always gets really wet on shoots – I'd swear she'd do this kinda stuff even if she wasn't getting paid) and fingering myself, holding my pussy wide open while he pointed his lens right at it, but his cock remained firmly in his jeans. This was pissing me off.

It was there and then that I decided I would do whatever it took to make this guy start jerking off, so I went crazy on Ines. I pushed her legs apart and started grinding my mouth against her cunt, moaning and licking while I plunged my fingers deep in my very wet hole. Ines didn't know what hit her – she looked shocked as I found her clit with my tongue and worked it vigorously, not caring that the photos would just be a blur.

Ines grabbed my head and rubbed her crotch up and down my face. I pulled my fingers out of my pussy and thrust them inside her hole, which made her buck and writhe in ecstasy. Ines started to climax, and I felt my mouth flood with her creamy juice, and no sooner had she finished screaming and

cumming, than she flipped me over, put her head between my legs and began to return the favour in exactly the same style.

As I lay back, my pussy lips parted for Ines to stick her tongue right inside me, I looked back across the bed at our cameraman. I'd kind of forgotten about him while I was making Ines climax, as she was my sole focus then, but now that I was lying back, feeling her warm mouth sliding up and down my cunt, I could take in what he was up to – and no, it wasn't taking pictures!

He was standing next to the bed getting sucked off by the make-up girl! I'd totally forgotten she was in the next room – she must have sneaked in when she heard me and Ines going for it, then decided to help out her boss. Which he seemed very happy about – she was a good-looking girl – fresh-faced and skinny – and was on her knees inches from my head, sucking his meaty dick down.

The photographer caught my eye and I

smiled at him and whispered that he and his friend should join us. No cameras were in sight so I knew it'd be okay, so he gently withdrew his penis from the make-up girl's mouth, guided her to lie next to me on the bed, and then climbed on too.

Ines, all this time, didn't stop licking my pussy. By now, the girl next to me was rubbing her hands all over my body while the photographer knelt between our heads. He was slipping his dick into my mouth, letting me suck at it, then pulling it out and putting it back in the make-up girl's mouth. We were both desperate to keep hold of it, to lick and suck his salty dick for as long as possible, but he was teasing us, letting the other one have it even when we were clamouring for a taste.

Ines upped her game and I could feel the ripples of an orgasm start to rush through my body. I really wanted his cock in my mouth as I came, so I grabbed hold of his hard-on and pulled it from her mouth and wrapped my lips

around it just as I started to cum.

That totally set him off – he let out a groan and flooded my mouth with his spunk as I orgasmed. I couldn't swallow it all so the rest dripped all over my upturned face, and the greedy little make-up girl turned over, got on all fours and started licking his jism from my lips and my cheeks.

By the time Ines looked up from between my thighs, she realised the first load of spunk had been sucked up by us two. Luckily, our photographer pal had plenty more, and over the rest of the afternoon us three girls made it our mission to drain him.

So yeah, it turned out my morals are prone to change when a good-looking guy with a nice cock is taking the photos. I'm not suggesting every snapper I work with tries this little stunt from now on, but at least y'all know I won't rule it out...

That film isn't for everyone though, but Emily proves she's still a sexy MILF in the more recent *Synecdoche, New York* (2008). Actually, that's a tough watch too. Legends of PORN Linzi Drew

Adult Sport trawls the wank banks to celebrate our formative fuck-fancies...

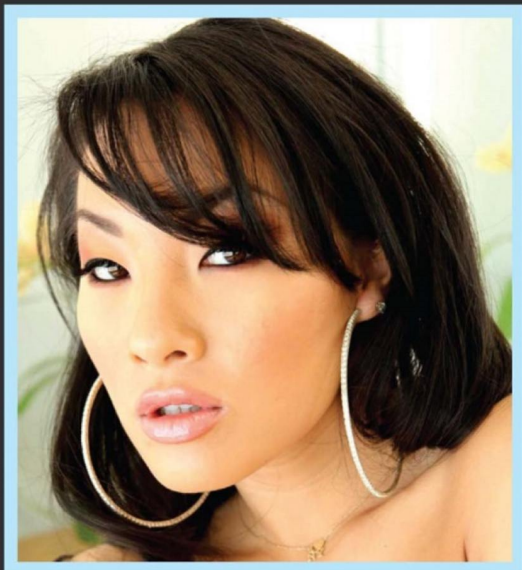

Linzi Drew is the epitome of the British porn legend. Born in Bristol in 1958, her career ran until the early 90's and took in glamour modelling, directing, dancing, producing and acting. She had a regular feature in *Club International* for years, before becoming the editor of UK *Penthouse*. She's also known for her long relationship with Ben Dover, with whom she had children, and for being within the porn film within a film in *An American Werewolf in London*. Linzi also did a stint at Her Majesty's Pleasure for illegally distributing pornography and published an excellently titled memoir *Try Everything Once Except Incest and Morris Dancing*. There's not much hardcore of Linzi out there – a few photosets, a minute long video of her sucking Rocco Siffredi's giant dick – and indeed she is best remembered as the British queen of the golden age of UK porn mags. We salute ye!

The Beautiful Game

UP YOUR SEX STAMINA

Go from sprint to marathon sex sessions using these techniques *by Rose Crompton*

A shagging app called **Spreadsheets**, used to chart all your sexual conquests and enjoyed by those that get turned on by stats as well as sex, released an interesting top 10 chart recently using data from 13,500 users across 133 countries. It detailed which country's blokes last the longest in the sack. Cue bragging rights, although probably not from us as apparently the average fuck in the UK lasts 2.56 minutes. Sounds shit, but when you consider the longest is only 4.02 minutes and puts Australian's in the top spot, then crikey Bruce and fuck me drunk, it doesn't exactly sound like the world is running marathons between the sheets. Want to improve on that national best? Here's how...

Give It Three Rings

So bloody often we hear about vibrating cock rings being yet another sex toy for her, but putting a ring on it does more for his pleasure and stamina. Cock rings work in two ways: worn around the base of the shaft they reduce the flow of blood back out of the penis, meaning you stay harder for longer. If worn around the shaft and balls, the ring prevents the bollocks from coming up into the body as easily, which is what they do when you shoot your load. Stopping this from happening results in delayed ejaculation.

"The Screaming O range are in my mind the best quality," says Emma Podmoore from **SexToys.co.uk**. Try the non-vibrating RingO Ranglers, which don't break the bank at £3.45 each. All three designs are super stretchy and have different internal texturing for added stimulation. "They're also great for keeping condoms in place," suggests Emma.

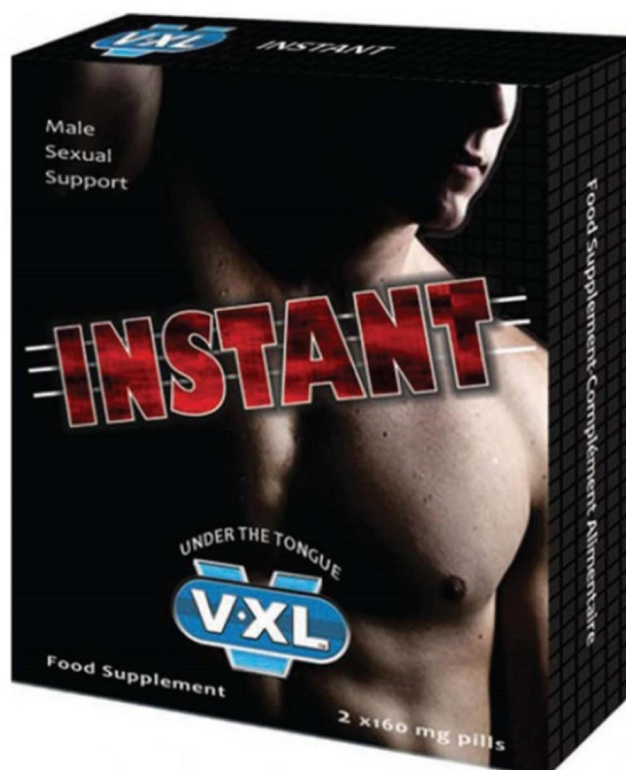

Give It A Tug

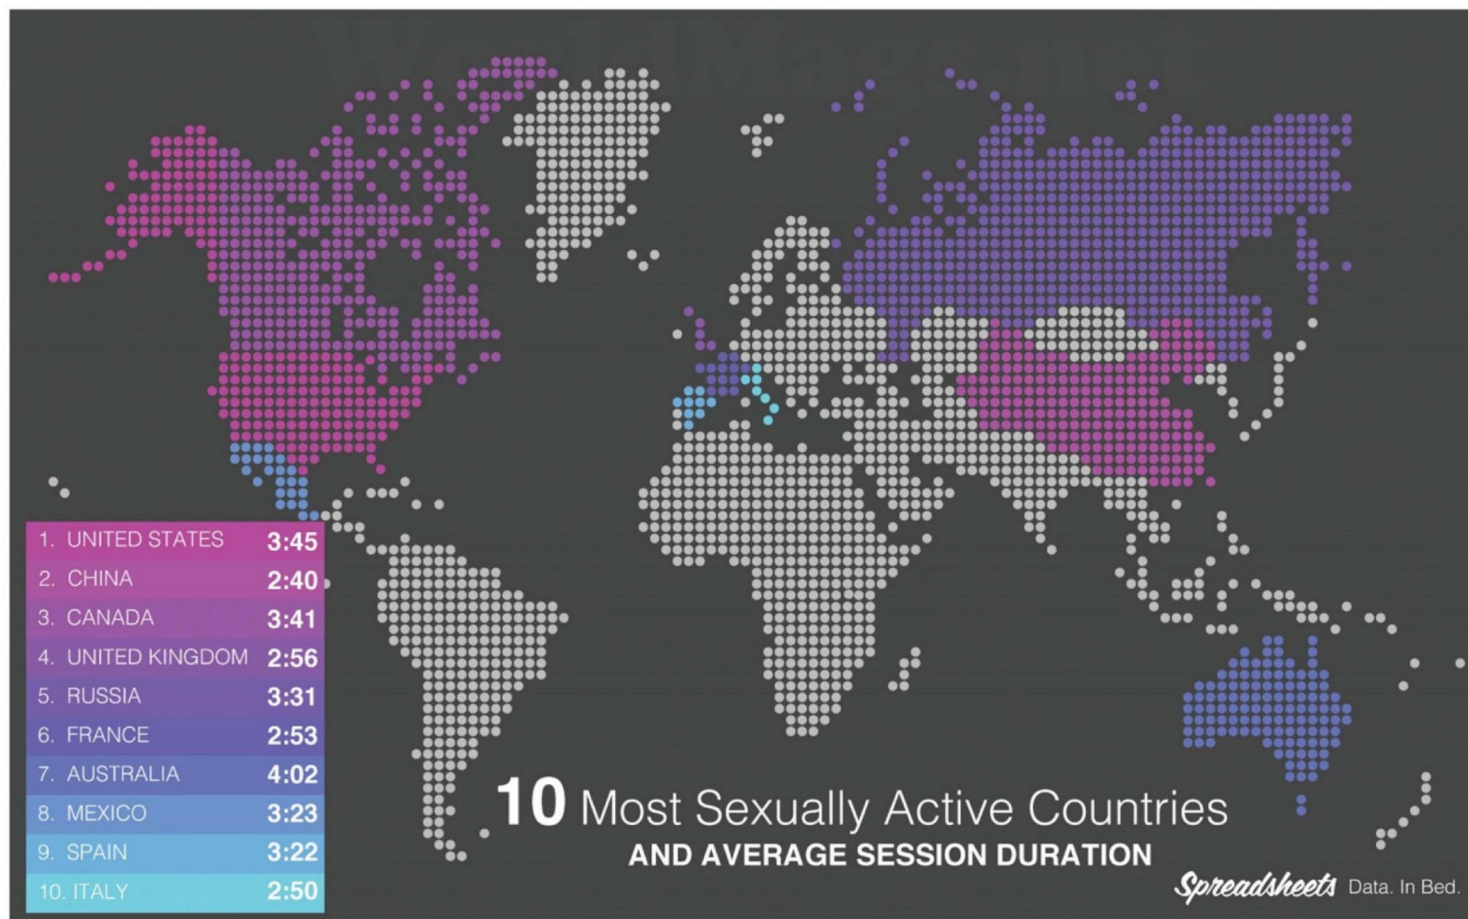

Having a wank usually means thrashing one out and then getting on with your day, but what if you wank and keep going until you

were close to cumming, but then stopped? Yeah, alright, you'd be pissed off and frustrated, but this is a technique used by many porn studs to increase how long they can go for. If stopping completely is too difficult, then slow down as orgasm gets closer, or use gentler strokes. It takes practise and control, but you'll find that learning how to increase how long you can masturbate for will have an effect on how long you can last in bed with someone else too.

Give It 10 Minutes

Not everyone wants to pop a pill to get hard, but luckily there are alternatives, like delay sprays or condoms. "If you need something fast working to delay ejaculation then three squirts of Super Dragon spray (£9.95, **HarmonyStore.co.uk**) to the tip of the penis 10 minutes before sex will help numb it slightly, so you're not as sensitive and you can control climax for a longer period of time than you're used to, just make sure you wash it off after," advises Jamie O'Sullivan, Store Manager of Harmony.

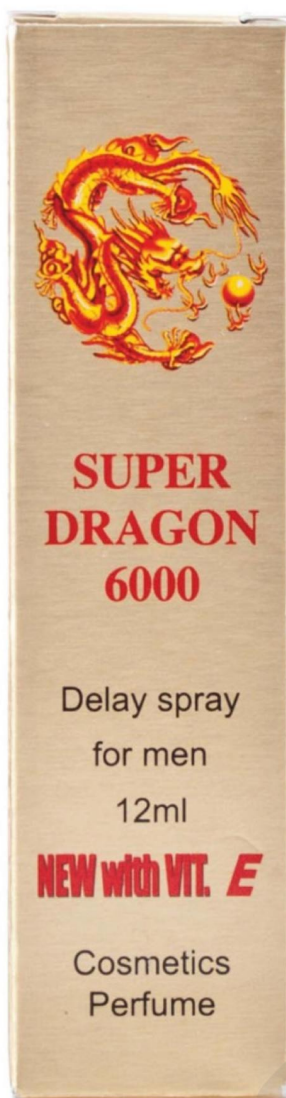

For something longer lasting, but still avoiding pills, there's now an arousal chewing gum. Really, they think of everything! "2V-XL Instant Chewing Gum makes your dick rock hard in 10 minutes," says Jamie. Chew one stick of gum and the effects can stick around in your system for up to 12 hours – you don't have a boner for all of that time – but comes with a similar health warning to herbal sexual enhancement pills: don't use if you have high-blood pressure or heart conditions. Like the spray you'll find sex will last longer than your usual time.

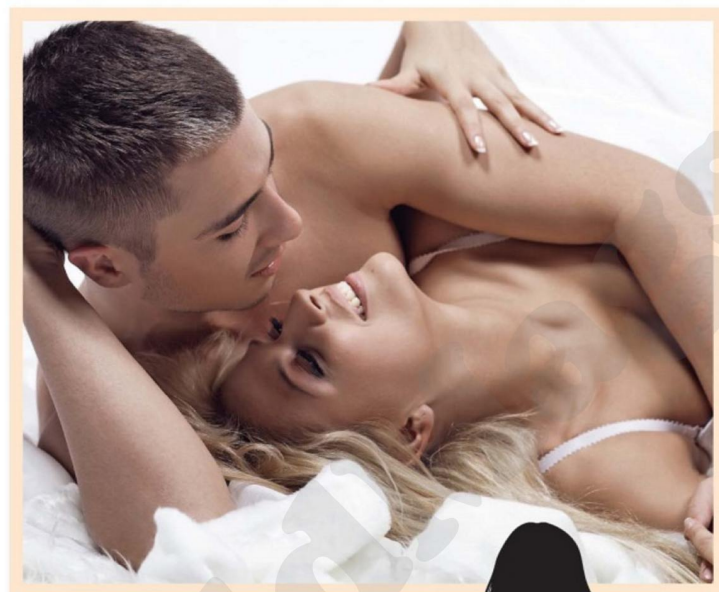

Give It A Squeeze

You may have heard your missus go on about Kegel, or pelvic floor, muscles and the importance of giving them a work out (she possibly uses those ball things after reading *Fifty Shades*), but blokes should give them a flex too as it can help them last longer in bed. A small study in April got 40 men who experience chronic premature ejaculation to work their pelvic floor muscles every day for 12 weeks. At the start of the study, the men's average time was 32 seconds, but by the end 35 of them had improved to almost 2.5 minutes. Although this was only a tiny example and more

research needs to be done, it's evidence that strengthening the muscles down below can improve your sex life.

The easiest way to explain how to find your Kegel muscle is to go for a piss. When you're mid-flow, clench and stop. The muscle you just tensed, that's your Kegel. Lifting that and doing two or three sets of reps a day will improve your love muscle. See KegelsForMenTips.com for advice on how to work it, or if you're feeling super dedicated, download an app like Kegel Sex Muscle Work Out.

Sam

When we met Sam we made various jokes about 'slam in the sam' and whatnot, all meeting with shrugs and bafflement. Turns out 20 year olds don't go for that old school shit. What they do go for, however, is long licks of their fannies by willing tongues followed by deep, hard shagging and a serving of spunk. Some things don't age...

Robin WRIGHT

Whether as Robin Wright-Penn or plain Robin Wright, Robin has always been all-Wright by us. 1996's *Moll Flanders* is perhaps her finest hour (or two) of nudity, but 1990's *State of Grace* had us in a state of tumescence. Now approaching 50, she's still red hot, baring an adorable bum in 2013's *Adore!*

Normally when we attend a Harmony shoot, we're in awe of the set dressing, the complex set-ups, the kinky clothes and outrageous sex toys. Today there's none of that – this might be the simplest Harmony set up we've ever encountered, and we're loving every minute of it.

Put simply, this is a room full of fanny, with red hot naked girls seemingly hanging from the rafters. They're not only tucking into each other's holes, they're wolfing down some dick as well, Brit and Euro girls giving their all in an orgy done Harmony-style. The ball-emptying Lexi Lowe is doing exactly that, a cock gliding down her throat while Ava Dalush is sliding her sought-after slit up and down another. If a girl's mouth isn't fastened around a pussy, a boob, a dick or a ball-sac, it's screaming in pleasure.

There's normally a safe place for us to stand while the action unfolds, but for once we're hovering uncomfortably as the orgy gets out of hand. At one point we lean on a surface only to realise it's covered in pussy juice and lube. By the scene's end, the jizz is flying from cocks and we're dodging all the drops that don't get sucked or licked up by the horny girls. There aren't that many of them...

Judy GREER

Adored by comedy fans for her role as Kitty in *Arrested Development*, Judy Greer wants you to say hello to these in some of her other roles. Her perky pair get an airing in 2002's *Adaptation*, 2000's *What Planet Are You From* and 1998's *Stricken*. We'd love to see more of the Greer rear, but we love her anyway...

Shelly & Jessica

Shelly and Jessica have a favourite pastime that is closed to most of us. They like rubbing their big boobs together. A bit of nip-on-nip rubbing gets them in the mood to go to the next level, which is pussy-on-pussy rubbing. And once that starts, all bets are off...
